THE PRESIDENT'S PAGE

I hope that everyone enjoyed our 82nd Fighter Group reunion in Cincinnati as much as I did. We had interesting conversations, fond memories, and an all too short visit to the Air Force Museum at Dayton where we got to caress the resident P-38 and swap stories about maintaining and flying that wonderful air machine. And then there was that afternoon on the river boat that featured scenery, good food --- and a **banjo player**. It was not quite the same experience as riding across the Atlantic on the Queen Mary but, at least, we did not run into any other river boats. As usual, a lot of the good talking and remembering happened in the Hospitality Room presided over by Terry and Cindy Massick. The reunion was capped by an excellent dinner that was preceded by a few brief speeches and our traditional reading of the names of those who had departed our ranks over the past year. As always, the stars of the reunion were the members who gave us the gift of their presence.

Perhaps the most significant event of the reunion was the adoption of changes to the by-laws. When we read the by-laws, we can see the masterful job that was accomplished by Colonel Jerry Loewenburg and others who crafted the original set of by-laws. They called for a President to be a facilitator and an Executive board to exercise decision making authority, but the brain of the outfit was vested in the membership. That was the process that made important changes in the structure of the 82nd FG for the coming years. Terry Massick and John Netzer Parlman gathered all the recommendations and passed them to the Executive Board. Ben Mason, Will Hattendorf, Olen Medley, Dick Gadbury and Monty Powers did such an excellent job of putting everything together that the membership approved it by unanimous vote. The result is that we now have a host of new voting members who will carry on the traditions of the organization. Well Done, everyone !!!!

Let us be well, be happy, and be proud of who we are. We will see you in Las Vegas.

SECRETARY/TREASURER'S REPORT

Dues are delinquent after March 31st of current year.

Regular membership is \$20 per year which includes the newsletter.
Associate and Honorary members must pay \$10 per year to receive the newsletter (\$15 after 1/1/09).

Life Membership is no longer accepted.

Present Life Members will continue to hold the title and honors, but most have agreed to pay the current sustaining dues of \$20 per year.

Send Checks to: John Netzer Parlman, Sec/Treas., 82nd Ftr Gp Assn., 1566 East Saint Charles Place, Inverness, FL 34453
tel: 352-341-0890 email: 2floridajps@tampabay.rr.com

Balance of all accounts: \$14,234.36

Respectfully submitted,

John Netzer Parlman, Secretary/Treasurer

82nd Fighter Group Association
Annual Meeting at Cincinnati Reunion
Erlanger, Kentucky Airport Holiday Inn
October 4, 2008

Meeting came to order at approximately 8:45AM.

Present for the Executive Committee: John Kane, President; Richard Ostronik, Vice President; Don Foley, Past President; Ben Mason, Headquarters Representative; Olen Medley, 95th FS Representative; Dick Gadbury, 97th FS Representative. Original members also present were Will Hattendorf, Monty Powers, Hank Phillips, George Rivest, Charlie Pinson, Roy Norris, Mac McAdams, Bob Carpenter, Leo Fisher, Jim Monyhan, Del Ryland and Howard Warne.

John Kane called the meeting to order and, after the Pledge of Allegiance, mentioned that veterans may now salute the flag per a recent congressional change and that this would be the protocol at future meetings. John requested that John Parlman, Secretary-Treasurer, read the proposed amendment changes (attached). Will Hattendorf commented that the provision for dissolution of the organization was, by putting 82nd funds under the administration of a bank trust officer, proper. Dick Ostronik moved to accept the changes. Olen Medley seconded the motion. Ben Mason commented that allowing the second generation to become active, voting members was a good idea. Monty Powers commended the Massicks and the Executive Committee for their hard work. The vote to accept the changes was unanimous.

Discussion changed to the site of the next reunion with the recommendations being San Antonio, Kansas City, Scottsdale and Las Vegas. Las Vegas in mid-October of 2009 won the vote.

John Parlman mentioned he has found the company that makes the flags for the 95th FS at Tyndall AFB and that he will coordinate an order for anyone who wants a flag for the 82nd or any of its squadrons.

Don Foley requested that members donate to support the website.

Terry Massick commented on website visitor statistics. Since its inception in 2002, there have been over 406,000 visitors, averaging about 70,000 per year and representing 280 military institutions, 468 corporations and 401 education facilities. He also commented that a \$1,500 microfilm copier had been purchased for the History DVD project that has already been paid for by advance sales of the DVD.

Dick Ostronik mentioned that Linc Jones wife is ill. They couldn't attend the reunion but sent their regards to the 82nd.

Bob Priest mentioned that Al Graham requested pictures be taken of all the 82nd WWII vets present at all future meetings.

Olen Medley mentioned the National Geographic channel will air the documentary on the Queen Mary collision after January 1, 2009.

Fran Kane asked if John Parlman had been voted in as Secretary-Treasurer and the Executive Committee said he had been appointed. John Parlman mentioned he has a letter of appointment.

Hank Phillips moved to adjourn. Will Hattendorf seconded the motion. Meeting adjourned at 10AM.

Respectfully submitted by John Netzer Parlman, Secretary-Treasurer.

10/21/08

Aido Anthony Buonaguidi - Obituary

Aido Anthony Buonaguidi - Passed away peacefully on August 18, 2008 after celebrating life in peak health for 83 years. Born in 1924 in Los Angeles, he attended local schools and graduated from Manual Arts High School. As a First Lieutenant in the Army Air Corps during WWII, he was a P-38 pilot at age 19. He received a Bachelor of Arts Degree from Occidental College and a Masters Degree in Secondary Administration.

"Mr. B" touched many lives as a gifted educator and winning Water Polo Coach at Glendale High School where he taught for 45 years. He was the Chairman of the Mathematics Department (20 years), Founder/Director of Snow and Water Ski Clubs, Director of the Pep Club, and, notably, the Director of "Glendale Educational Tours" who led busloads of high school students on 6-week tours around the United States from 1953-1972. He spoke fluent Italian and delighted friends and family with his music (singing, guitar, accordion, ukulele, piano, banjo), his whimsical poetry and art, his cooking, sense of humor and spirit of adventure.

He is survived by his loving brother, Frank (Lido) Buonaguidi, four children - Cheri, Judith, Marc and Matthew Buonaguidi, two grandchildren Darren and Chelsea Buonaguidi, former wife Barbara Nielsen, and the extended family, friends, colleagues and golf buddies who loved him.

June Urania Brower

RACINE - June Urania (nee: Thravalos) Brower, 85, passed away on Thursday, October 16, 2008, at her residence.

She was born in Madison on June 7, 1923, the daughter of Steven D. and Anna L. (nee: Newman) Thravalos. On May 29, 1948, June was united in marriage to Robert O. Brower at Holy Communion Lutheran Church.

She was a 1940 graduate of Washington Park High School. She retired from Porter's Furniture Company in 2002, after 47 years of service. June was a member of Holy Communion Lutheran Church, Belle City Seniors of Racine, birthday clubs, and monthly card parties. She loved to crochet and take senior bus trips with her sister, Nancy Nelson, especially the Mystery Bus Trips, where she never knew what the destination would be.

Terry:

The arrival of the newsletter jolted me to check my "draft" e-mail box and discover that a note I prepared months ago was still sitting there. Disrupted by haste and dampened by sadness, I had started, but did not finish and send my notice to you that my father died in late March—the 25th—after a difficult year and a tough winter. Indeed, as the tree outside his window began to leaf in the warming early Spring sun, for Dad it just remained winter and he died of pneumonia and congestive heart failure very early on March 25. He was 99 and 1/4, heading toward the century mark he coveted. In his two-room apartment were models and picture books of the P-38.

His medals from the 3 1/2 years he served overseas are in storage along with those models and books through which he looked with bright-eyed memories and pursed lips as he recalled good times and tough times with young men doing their duty.

Dad was on the Queen Mary that fateful trip and ran topside, he told us, as he felt the shudder and then the quick acceleration of the ship after the collision with the British escort. He saw the two parts of that ship as the Queen Mary moved away, not knowing if there were any enemy in the area.

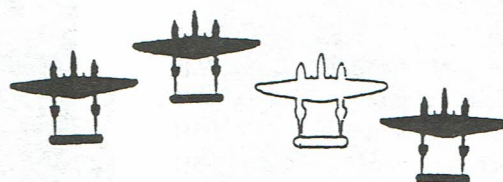

I am asking my brother for a copy of the brief biography we prepared about Dad, mainly for the family. I'll send it to you. Perhaps you can send a notice to the 82nd Fighter Group and put something in the next Newsletter for posterity. I'm sorry I missed this one, with that historic event of which Dad was a part.

I don't know if Dad kept up his dues as things became more difficult for him. Because of his affection for the 82nd, I want to be sure his dues for this year are paid. Please let me know.

Again, I apologize for this late notice.

Best regards,
Peter Gerber

Hello Everyone,

The 82nd FG website, celebrates the end of its 7th year of going online, at end of November. The 7 year total of worldwide visitors to the 82nd FG website is over: 415,000 visitors. That's almost 60,000 worldwide visitors per year. Who would have ever guessed?

The grandson of, Michael Pavich/95th, is looking anyone that remembers and/or can give him any additional information about his grandfather. If you can help, please contact me.

Some of our Italian friends and fellow researchers have finished excavating a P-38 crash site in Northern Italy. They believe it was the 12/25/43 crash site of Major Hugh Muse/95th. It could also have been the 12/25/43 crash site of 2nd Lt. Robert M. Croddy/95th. Human remains were discovered during the site excavation. The MIA/POW Identification Division headquartered in Hawaii took possession of the remains, a couple of weeks ago.

Not only was it really great to see all 3 squadrons have Air Force representatives at the Reunion this year. It was also greatly appreciated by everyone, especially by the original 82nd Fighter Group members.

A special THANK YOU to: Lt. Col. Kent Hobson and Capt. Dustin Ripley/95th FS; Lt. Col. Todd Felton and Maj. Marcus Gregory/96th FTS; and Maj. Jeff Grayson/97th FTS. And, a very special Thank You and Welcome Home to: Col. Wolf Asmus/19th AF.

The Cincinnati Reunion was the first Reunion for Bill, Eileen, Scott and Connor Vincent of California and Oregon. This past spring, Eileen had 'googled' the name of Bill's cousin, Richard Fleischer, who was in the 95th and KIA 12-10-44. Of course, they did not know the squadron and group that Fleischer was with, until the 'googled' information came up. Scott then contacted me and found out that Olen Medley was Fleischer's Crew Chief. Scott talked to Olen on the phone. Then, the Vincent Family decided to come to the Cincinnati Reunion in honor of their cousin, 2nd Lt. Richard Fleischer. And, they wanted to meet Olen, Betty, Nancy, Nanette, and other 82nd FG members and their families.

At the Banquet, Will Hattendorf/95th won the drawing for the embroidered 82nd FG jacket. Will already owned an embroidered 82nd FG jacket. So, Will proudly donated the jacket he had just won to, Connor Vincent/95thF, the youngest member at this years Reunion.

On Oct. 4th, at the Saturday morning annual Business Meeting, the original members of the 82nd FG laid a very important and historic foundation block for the 82nd Fighter Group Association.

At the yearly business meeting a very important and historic motion, to amend the By-Laws, was passed unanimously by the 82nd FG members.

The amended verbiage of the By-Laws will keep the 82nd FG Association going for generations to come. Here is a brief summary of the, amended and new verbiage, of these specific By-Laws:

1. " *Wives & Widows* ('F' for *Family Members*)" are now regular and full members, with voting rights, upon paying the yearly \$20.00 membership fee to the Sec/Trea.
2. Any and all, " *Descending Generation Family Members* ('F' for *Family Members*)" are now regular and full members, with voting rights, upon paying the yearly \$20.00 membership fee to the Sec/Trea.
3. " 'H' for *Honorary Members* ", this classification of members, is now reserved for: any and all - past, present, and future members through the Lineage of the 95th, 96th, 97th Fighter Squadrons, and the 82nd Fighter Group, which is now the 82nd Training Wing. A \$10.00 yearly donation is requested to help with printing costs, payable to the Sec/Trea. No voting rights.
4. " 'A' for *Associate Members* ", this classification of members, continues to be reserved for: anyone who is interested in, helps to promote, and supports the 82nd Fighter Group Association on a regular basis. A \$10.00 yearly donation is requested to help with printing costs, payable to the Sec/Trea. No voting rights.

What do these very important and historic changes to the 82nd FG Association By-Laws mean?

When the original members of 82nd FG formed the Association, they had no idea how long the Association would

last. They assumed the day would come when there would be no more Reunions, interest in the 82nd FG Association would go by the wayside, and the Association would be dissolved. This is a fact for many military associations today. Several military associations have already disbanded and dissolved.

The original 82nd FG members did not think of or even dream that, The Kids and The Relatives (*Family Members*) of the original members; the men and women of the Air Force that have been, are currently in, and who will be serving in the future in the lineage units of the 95th, 96th, 97th Fighter Squadrons and the 82nd FG, which is the 82nd Training Wing today (*Honorary Members*) and people from around the US and the world that continue to care about, promote, and support the 82nd FG Association (*Associate Members*), *"Would come forward and want to continue to carry the banner of the patriotic, proud, and humble members of the highly decorated, 82nd Fighter Group, for generations to come."*

This NEWSLETTER will be the first mission, to increase the membership of the 82nd FG Association. There are 3 different, Membership Application Forms: Family, Honorary, and Associate. To get your Membership Application Form, please contact: Hank Phillips; John Netzer-Parlman, Sec/Trea.; or Terry Massick to have the correct form sent to you.

When you receive the form, please fill the form(s) out and return the form(s) to: John Netzer-Parlman, 1566 East Saint Charles Place, Inverness, FL. 34453

If you need numerous copies of the form, it is okay to make as many B/W copies of the form that are needed. If you don't want to print the copies in the color version, this is not a problem. Black & White copies are fine.

With the Holiday Season just around the corner, this would be a great time to pass out the Membership Application Forms.

If the Air Force Units could have a story in their Base Newspaper to promote the membership drive, this would be very helpful. Contact me for additional information for the story.

Show your support, loyalty, and 'Family spirit' to and for the 82nd FG Assn. Make plans to attend the 2009 Reunion that will be held in Las Vegas. The dates will be sometime in the later part of September to the middle of October. The process of selecting a hotel is still ongoing.

I have already been asked about a tour to the Grand Canyon. This will be an 'all day' tour. Depending on the number of people that want to do this tour, it might work the best to do it on Sunday, as an 'after' Reunion function. Let me know if you're interested.

The 82nd FG History DVD Project is still in production and making progress, just at a lot slower pace than I anticipated. I'm still under doctor's care, with another heart stress test scheduled for Dec. 2nd. They're trying to figure out why, I still have pain and pressure in and around the heart which includes the stented area.

My brother-in-law, who retired from the Iowa Air National Guard, last year, was the IAANG base primary computer guy. He started helping me a couple of weeks ago. He is working on the Missing Air Crew Reports.

All of the 1943 mission reports are now done. I'm 3/4 done with the 1945 mission reports. And, 1944 is about 1/4 done. All of the NEWSLETTERS have been scanned into the computer and are 1/2 done on the cleaning process.

Sorry, I'm running so far behind, but, we are making progress. Needless to say, there will be an announcement made, with lots of PR, when the DVD project is finished.

Wishing everyone a very, safe and happy, HOLIDAY SEASON.

For any additional information and/or questions, call: 641-842-7451 or email: webmaster@82ndfightergroup.com.

Talk with everyone later.

As Always,

Cindy & Terry/95th

Looking back on – A BIT OF HISTORY – The 82nd's first Reunion

WW 11
82nd Fighter Group
REUNION HEADQUARTERS
4702 Congressional
Corpus Christi, Texas
74813

30 July 1979

Greetings from Texas.....

It looks great for our reunion.. We've had to increase our hotel reservations by 50% to cover the attendance and I expect a few more late signers to show up. Suggest you send in the enclosed card right away in order to hold your reservations.

If you are driving,,it does'nt appear that gasoline will be a problem in Texas except for the big cities.... Houston, Dallas, etc., and even there it's easing up.

Our hotel, the Emerald Beach Holiday Inn, has all the facilities to provide for a beautiful weekend of fun. Our event plan is the same as proposed in the initial letter. We will have a hospitality suite that will be open except for periods when group activities are scheduled elsewhere. We propose to stock it with goodies to eat and drink..... and we can gather there, bend the elbow, and hanger-fly.

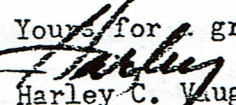

Our Friday schedule will be limited to registration and a chuck wagon dinner in the evening. During registration period, we will line up the Saturday schedule of Tours, Boating, Fishing, and Golf. The tours range from a local around the city and a period of 2 hours to one that goes to Mexico and lasts for a period of 4 hours. The Fishing and Boating also have many options to choose from. So make your selections and enjoy! The Golf is scheduled for Saturday, 1000 hours at the Corpus Christi Country Club, and we're sure you will enjoy the course.

Saturdays schedule will be the tours, boating, fishing, and golf. Sat. evening will be the banquet in the hotel, with entertainment derived from our own group.....!

Our Sunday schedule Rest and Recovery...!!!

South Texans are very casual in their dress so all activities will be strictly informal. For the banquet, the ladies will want to dress up a bit so the men may wish to wear a jacket.

One last item... Since we have no operating funds, please send \$10.00 per person as a registration fee to pay for our hospitality suite, bar rental, bar stock, transportation, postage, etc... Any funds left over will go to the lucky fellow running the 1980 reunioⁿ.....

Yours for great reunion,

Harley C. Vaughn
Colonel USAF Ret.

P. S. Don't forget.. the date is 5, 6, 7 October 1979...
